TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

[L. S.]

*To the Inhabitants of the Town of Belmont in the County
of Belknap, in said State, qualified to vote in Town
affairs:*

You are hereby notified to meet at Community Hall, in said Belmont, on Tuesday, the 12th day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To choose one Selectman for three years, one Trustee of the Public Library for three years, and one Trustee of the Trust Funds for three years.
3. To raise such sums of money as recommended in the Budget and make appropriations for the same.
4. To see if the Town will vote to allow a discount of 2% on all Taxes paid on or before July 5th, 1946.
5. To see if the Town will vote to authorize the selectmen to borrow money in anticipation of taxes.
6. To see if the Town will vote to close a piece of road at Tucker Shore starting at the shore of the lake and running in an easterly direction to a point agreed upon by the Selectmen at the corner of Arthur Spring's lot.

7. Shall the Selectmen of Belmont be instructed to make proper arrangements to have the electric lights located on the streets of Belmont lit from one hour after sundown to one hour before sunrise.

8. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 25th day of February in the year of our Lord 1946.

SAMUEL P. PHILBRICK,
CHARLES E. WILLEY,
STANLEY F. HILL,
Selectmen of Belmont.

A true copy of Warrant: Attest:

School Board

Belmont, N. H.

Dec. 5, 1945.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Members of the School Board, Parents, and Voters of the Belmont School District:

It is a pleasure to state conditions under which the schools have been maintained since the last annual report. The war-time hardships experienced in Belmont were, in general, less burdensome than in many places in New England. The post-war period, into which we were thrust suddenly, may present more hindrances to good educational progress than the war years brought.

Buildings and Equipment**Maintenance, Operation, Repair**

By authorization of the 1945 School District Meeting, the Province Road school building was sold at public auction on May 26, 1945, John J. McDonough serving as auctioneer, to Stanley Guay for \$126.

Twenty seats and desks, a wood-burning stove, and a sink from the Province Road school were sold to the Canterbury School District.

Money was provided from the Gale School children's health fund to install a health room in the second floor corridor of that school.

A new flagpole has been erected on the Gale School grounds.

Teakwood panels, to cover the damaged cellotex finish, have been placed on the basement walls of the high school.

A storage closet for supplies was built in the second floor corridor, and new shelves for a school library were installed in the typewriting room.

Teachers and Supervisors

Mr. Ernest F. Fiske, effective headmaster for the last two years, left administrative work and accepted

a position as teacher of music and languages in a North Carolina private school. His successor, John H. Starie, former Madison headmaster, is a graduate of the University of New Hampshire, with six years teaching and two years' administrative work as experience. Mr. Starie has published some writings, and is the present executive secretary-treasurer of the New Hampshire State Teachers' Association.

Miss Helen E. Martin, one of our finest teachers, accepted a position as English teacher in the Tilton-Northfield High School. In her place, Miss Doris E. Glaude of Manchester, 1945 graduate of Rivier College, was selected to teach English and History.

Miss Genevieve M. Cloutier signed a contract with the Concord School District. The Home Economics Department is now directed by Miss Ally A. Kott of Manchester, 1945 Keene Teachers' College graduate, with practice teaching experience in the Concord High School. Miss Kott also handles girls' athletics with the part-time assistance of Mrs. Marion Collins Stucker of Laconia.

Mrs. Louise G. Downing is now employed in New London schools. To handle some of the subjects of the junior high and early years of the high school, Mrs. Grace J. Sargent of Gilford, a former elementary school principal and 1945 graduate of the Boston University School of Education, was employed.

S/Sgt. James F. McKeon is still on leave of absence from the principalship of the Gale School. Mrs. Agnes H. Moulton continues to serve as acting principal and Mrs. Cecile L. Smith takes Mrs. Moulton's former work in Grades IV and V on a temporary basis.

Altogether, Belmont has been fortunate to have an efficient teaching staff during these war years when

schools in many places were either closed or taught by less experienced persons.

Health Program

The School Nurse reports that the audiometer has been used to test the hearing of pupils in the Gale School.

Two pupils were taken to the Dartmouth Eye Clinic at Hanover, New Hampshire for vision corrections.

Of the 238 pupils examined, 102 of them had defective teeth. A dental clinic will be held as soon as a dentist can be found to do the work.

The school physician is able to spend only a limited time each day in the examination of pupils so the time taken by the nurse for this phase of the health work extended over a considerable period.

All pupils in athletics have had a thorough physical examination.

A tuberculosis test will be given again this year.

Sale of War Stamps and Bonds

A final report on the purchase of War Stamps and Bonds by pupils in the two schools from January 1, 1945 to July 1, 1945 shows:

147 pupils purchased stamps valued at \$1,170.90

125 pupils purchased bonds, maturity value
\$8,450.

High School

The last school year closed with a Baccalaureate Service on Sunday afternoon, June 10, 1945, in the high school assembly room. Dr. J. Duane Squires, Department of Social Studies of Colby Junior College, was the speaker.

Graduation Exercises, followed by a Reception, were held on Thursday evening, June 14, 1945 in Community Hall. Edwin Blaisdell gave the Address of Welcome. The High School Chorus sang two selections, "March of the Peers" and "The Road to Mandalay". Beverly A. Roach gave the Address of Farewell. Mr. Frank Judkins assisted by playing the Processional and the Recessional. Rev. Frederic W. Fitzpatrick offered the Invocation and the Benediction. Diplomas were presented by Chairman of the School Board, Mr. Milton D. Hayward, to the following graduates:

Raymond B. Bennett	Mary Louise Hayward
Edwin Ellis Blaisdell	*Kenneth E. Heath
Angeline M. Bourque	Beverly A. Roach
John Albert Corriveau	*War Emergency Diploma

In addition to the subjects offered in the general, home economics, and college preparatory courses which have been taught in the high school for several years, correspondence courses are being utilized again this year to meet the individual needs of pupils. The University of Nebraska provides these courses which are conducted under the immediate direction of high school teachers. There are pupils now who are studying General Agriculture, Farm Accounting, Elementary Typewriting, Mechanical Drawing, and Beginning Radio. Of these the correspondence course in Typewriting seems particularly successful in Belmont.

When it became impossible to acquire the services of trained shop teachers, the boys in practical arts were enrolled in other courses. With the return of ex-service men to teaching, it should be relatively easy to resume the general shop program in the fall of 1946 and expand the limited offerings of pre-war days.

To give pupils an opportunity to participate in the life of the school, a weekly assembly program has been instituted. Outside speakers have presented interesting material on three occasions. A play written by eighth grade pupils has been produced.

The formal athletic program of the school is intensive. Four different groups use the Community Hall for basketball, Junior high school boys are coached by Edward Weston, captain of the high school team. Mr. Robert Dearborn and Mrs. Marion Stucker coach the high school boys' and girls' teams.

During the noon hour there is an informal activity program for those pupils who carry lunches to school. During a typical winter noon, one may see jitterbugging, boxing matches, table tennis, and games of chess and checkers in progress.

In addition, the school has sponsored three evening parties, a senior fair and a three-act play. The girls in the Foods and Nutrition class entertained the teachers and other guests at a formal tea.

Teachers' Retirement System

In the spring of 1945, the Legislature amended P. L. Chapter 135, Section 8, Revised Laws, to assess school districts a portion of the expense in the teachers' retirement system. The present rate is 4% of the annual salaries of member teachers. In 1945-6, the charge to Belmont for this system will be \$112.

State Employees' Retirement System

The 1945 Legislature established the State Employees' Retirement System and charges each school district in this school supervisory union a portion of the total expense for the superintendent's retirement. In 1945-6, approximately \$25 will be Belmont's share.

Improvement of Instruction Through Teachers' Meetings

During the War years and gasoline rationing, it was not feasible to hold teachers' meetings in which all teachers in the supervisory union engaged simultaneously. With the release of the restrictions, we may now continue our former custom of holding meetings for the improvement of instruction.

The first meeting in the 1945-46 school year was held in Belmont on September 4th. The topics discussed are current problems.

1. Ways of teaching international understanding and brotherly love.
2. Teaching through pictures
 - a. In reading books
 - b. By slides, films, and projected views
 - c. In drawing lessons

The second meeting was held in Tilton in conjunction with the Supervisory Union #59 Board meeting on November 14th. The points were:

1. Demonstration of Lip-Reading Teaching
2. Devices to Correct Hearing Deficiencies
3. Brief Histories of the Towns in which We Work
4. Geography All Teachers Should Know to Interpret Commonplace Scenes

Conclusion

In submitting this sixth annual report, I express my appreciation again to the members of the school board for their sincere consideration of school problems, to the teachers, nurse, and other workers for their individual efforts to promote the school program.

Respectfully submitted,
DONALD P. MATTOON
